Dear Mr. Noe,-

Let me thank you for your kind letter to Grandfather. He was extremely appreciative of your interest.

You will be glad to know that his condition is improving steadily and that the doctors declare that it is only a question of good nursing over a period before he will be completely recovered. We do not expect too rapid a recovery considering the gravity of his injuries and his advanced years. However we are all overjoyed to think that he has had the tremendous vitality and stamina to pull himself out of his very serious condition.

Thanking you again, I am,  
Very truly yours,

*Kempton Adams.*
